A MIRACLE OF SPACE

Measuring 19.16 metres overall, the Numarine 62 successfully reproduces the same concept and sporty design common to all the yard's family line products. Great volume in cockpit and Flybridge.

But do not call it a compact yacht: ample open areas and brightly lit interiors define the shipyard's traditional and unique distribution of space, while the use of the IPS transmission system enabled the fitting of oversized fuel tanks, thus making the craft a cruiser with no boundaries.
