Let me introduce you to your next boat, the amazing Numarine 62 Fly.

European built, with finest materials, it's hard to find any competitor in the market.

Numarine 62 Fly available for immediate delivery. Powered by Volvo IPS 950's and well optioned. A MIRACLE OF SPACE

Following the glamorous success of the 70' and 78' models, the shipyard has unveiled its latest masterpiece: the Numarine 62, available in both Flybridge and Hardtop versions. Two new additions to Omer Malaz's pearl necklace.

Measuring 19.16 metres overall, the Numarine 62 successfully reproduces the same concept and sporty design common to all the yard's family line products.

But do not call it a compact yacht: ample open areas and brightly lit interiors define the shipyard's traditional and unique distribution of space, while the use of the IPS transmission system enabled the fitting of oversized fuel tanks, thus making the craft a cruiser with no boundaries.

If you are looking for at Sunseeker, Princess, Absolute, Ferretti, Riva, Horizon, Palm Beach, Riviera, Maritimo be sure to call and Inspect Numarine.
