Description

56' Ocean Alexander Motor Yacht built in Taiwan. The company was started in 1978 by Alexander Chueh and the first yacht built was a 50' pilothouse designed by architect Ed Monk, Jr. In the mid 1980's Ocean Alexander launched a series of contemporary pilothouse motor yachts of which this is one, and to date more than 1,500 yachts have sold. Each model is built with beautiful teak wood and fine joinery work.

Perfect for someone looking for a quality motor yacht or trawler and complete with everything needed for cruising, Carpe Diem has a lot packed into its 56' and 18' beam. There are 3 stateroom. The master stateroom is located aft via a private stairway and features a king size berth. The other two staterooms are forward, accessed by a stairway from the pilothouse.

Carpe Diem's highlights include a large aft deck, comfortable salon, and full-size galley-up with a U-shaped dinette & table, and a spacious, full-beam engine room. There is fully functioning lower station and a fly bridge station with all controls. The bridge is large with plenty of seating and a fiberglass hard top.

Inspection a must !
